

# The Language Workshop for Children's *Le Club des Enfants . El Club de los Niños* Winterbreak 2009

Camp-Like Enrichment Program . Manhattan  
Ages 3 to 7

**Winterbreak** is a half-day French or Spanish camp-like enrichment program blending The Language Workshop's unique playgroup approach, language immersion fun, and a flavor of the French and Spanish cultures. Winterbreak is a separation program so children attend by themselves, but parents and caregivers are welcome to sit outside the classroom door or in the reception area.

**Program** Children assemble to draw and say hello to their friends. Then they begin with *French for Children* or *Spanish for Children* play where they sing lots of new LWFC vocabulary-building songs, learning more foreign language grammatical patterns and word meanings. Then it might be visual-aid games, holiday baking, arts and crafts, seasonal characters or stories. Since our native speaking instructors only speak French or Spanish in class, children begin to think in a new language.

Midway through their half-day campers get a snack of water and goldfish (or anything you may want to substitute) and end with a mini-lesson review of that day's vocabulary.

**Times** Half-Day Mornings 09:00 to 12:00 Noon  
Children are welcome to arrive as early as 8:30am for supervised drawing. Activities begin after 9:00 am.

**Location** *Winterbreak* is held at The Language Workshop for Children's main Eastside facility at 888 Lexington Ave at 66th Street. It is bright, spacious and especially designed for active children.

**Schedule** Week 1 December 21-22-23-24  
Week 2 December 28-29-30-31  
Children may be enrolled for a minimum of any 3 days which do not need to be sequential.

**Tuition** \$ 75 Per Day  
Because some teachers are on holiday, the LWFC accommodates only a limited number of children and keeps a strict headcount. Therefore, parents must select the specific days for their child(ren) to attend.

May be combined with 10% sibling discount
