the LANGUAGE
WORKSHOP
FOR CHILDREN®
founded in 1973

At the LWFC children magically absorb a new language through emotionally supportive immersion activities. Word meanings, basic grammar, and pronunciation is easily acquired through the LWFC's original language-rich songs, stimulating play, and stories for older kids.

Languages for Tots® (6M-3Y)

Tots activities are gentle and age-appropriate. All Tots classes employ the LWFC's Original Program (described above) and (depending upon the day, location, and language) are offered in three age groups,

- 6-20M
- 20M-3Y
- 6M-3Y All Together (AT)

AT mixed age groups mirror the way that children learn and interact at home. Older siblings build confidence by leading, while the younger ones absorb and mimic the older ones. Since LWFC teachers never pressure, every learner participates at his own pace.

Family Preschool (20M-3.6Y)

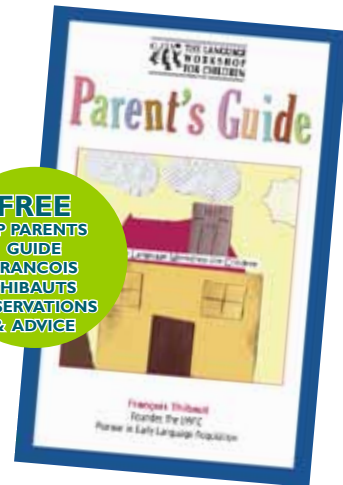

In the first 45 minutes children enjoy a stimulating Languages for Tots class that is followed by 45 minutes of Preschool activities, like pre-reading and story-time, arts & crafts, counting, music and more.

Languages for Children (3-9Y)

Children's class students not only learn their new language through LWFC language building songs and action games, they get the latest LWFC Storybook to enhance their sentence building skills, too.
