

# SUMMER 2012 CAMP-LIKE ENRICHMENT PROGRAM

*Le Club des Enfants: French • El Club de Los Niños: Spanish  
Ér Tóng Jù Lè Bù: Chinese*

## MANHATTAN (MAIN LOCATION)

SUMMER 2012, JUNE 11 TO AUGUST 17

At The Language Workshop for Children's Summer Camp-Like Enrichment Program kids learn French, Spanish, or Mandarin Chinese through language immersion fun, costume days, baking, arts and crafts, theme days, birthday celebrations, the LWFC's original, award-winning materials, and more! Immersion gently leads youngsters to acquire the French, Spanish, or Mandarin Chinese language naturally, start to think in the target language, and add substantial vocabulary. Choose any two or more weeks (that do not need to be consecutive). Families are welcome to add weeks as the summer progresses (as long as they are still available).

- » The Morning Program starts Monday, June 11th
- » The Afternoon Program starts Monday, June 25th
- » We are closed on Wednesday, July 4th
- » Summer ends on Friday, August 17th

## ACTIVITIES

Youngsters effortlessly absorb a new language through immersion arts & crafts, baking, action games, fun visuals, Toto Time, celebration days, this summer's French for Children, Spanish for Children or Chinese for Children lessons, theme days, birthday celebrations, and all the new words and sentence basics in a brand new **Songs & More Workbook/CD** set.

## BIRTHDAYS

If your child's birthday occurs during one of his weeks at camp, we would love to host a joint French/Spanish or French/Chinese birthday celebration for him or her. All you do is bring the cake!

## JULY 4TH

The LWFC is closed on Wednesday, July 4th. If you are enrolling in a 3 or 5 day program during this week, be sure to specify whether you prefer having us deduct one day's tuition or scheduling a compensatory make-up at a later date.

## FOOD . LUNCH

Children eat lunch at home, but they are welcome to bring and store their own snacks and drinks in the LWFC's refrigerator and cabinets. Just be sure to mark your child's name on the outside.

## NEW STUDENTS

If your child never attended the LWFC, you may want to set up a time to visit the facilities with him. Youngsters familiar with a new environment adapt to it more easily.

## SEPARATION, TOILET TRAINING

By enrolling, parents tell us that their child is ready to participate in a separation program and is toilet trained.

## ALLERGIES & MEDICAL CONDITIONS

If your child has allergies or medical alerts please detail them on your enrollment form. LWFC staff cannot administer any type of medical treatment.

## REGULAR LANGUAGES FOR CHILDREN CLASSES

Our Camp-Like Enrichment program incorporates and expands upon our regular French for Children, Spanish for Children, and Chinese for Children curriculum so we don't schedule those classes after Camp-Like Enrichment begins.
